25X1

L. W. [redacted]

710030 a problem —

Why is R+RD service recorded against individual project nos.

Ground Photo Branch a subject of concern to DDH.

Eliminate project nos. (use activity codes)

Use component time allocation

Use Active projects by component.

TDB only branch project oriented.

TDB — Daily Progress Report

Daring Msns

Manual System — very Satisfactory

Vaughn found MIS data quite inaccurate
